

D211 POST: COLLEGE NIGHT IS OCTOBER 10

As part of District 211's effort to help prepare students for post-high school education, the District will host its annual college night October 10. The informational event will be held at Palatine High School from 6:30 p.m. until 8:30 p.m.

The representatives from more than 210 two- and four-year colleges and universities will be on hand to answer a variety of questions. Representatives will discuss financial aid, curriculum and campus information.

In some cases, parents and students do not have the ability to visit a large number of colleges and universities in order to make a choice which best fits the student. The District's College Night brings the colleges and universities to them. In preparation for College Night, students are encouraged to register with Strivscan and create a label sheet which includes information such as home address, high school, GPA, ACT scores, and activity involvement. Students can register with StriveScan by going to [here](#).

District 211 Transportation will provide free shuttle services from other District schools to Palatine. Parents are encouraged to sign up for this service as parking at Palatine High School is limited. Parents and students can sign up for the shuttle service [here](#).
