

D211 POST: SCHAUMBURG HIGH SCHOOL CELEBRATES OPENING OF NEW CAFETERIA

Students at Schaumburg High School walked into a celebration during their lunch periods on Friday as the school held a grand opening celebration for the newly designed cafeteria.

One of the most noticeable changes the students saw was a larger and more open serving area. The new layout also included couch-like benches along one of the walls.

Freshman Mariya Marinska said she enjoys the new layout.

“It’s very inviting,” said Marinska. “It feels like we can enjoy our food in a fun setting.”

During the day’s festivities, students were given raffle tickets which they could use to enter drawings for a variety of prizes including free lunch for a year. Students enjoyed free cotton candy and root beer floats during their lunch periods.
