

D211 POST: SCHAUMBURG SPECIAL OLYMPICS SOCCER ATHLETES RECOGNIZED

When Schaumburg High School students Tarek Samara, Zach Pierce, and Davien Luong-Luu walked into the band room Nov. 3, they were greeted with the sound of the schools fight song. All three students are members of combined special olympics soccer team which is scheduled to compete at the state tournament.

Tim Little, principal at Schaumburg High School presented each student with a pin recognizing them as a state competitor in their sport.

“Only students who go down to represent Schaumburg at the state level get this pin,” Little said during the presentation.

Watch the students receive their pins in the video below.
