

D211 POST: WEBSITE ALLOWS NEW RESIDENTS TO FIND THEIR SCHOOL

Moving into a new house within District 211?

FIND OUT WHICH HIGH SCHOOL YOUR CHILD WILL ATTEND

One question people often have when moving into a new house within District 211 is which high school will their student attend. By going to <https://vtweb2.tylertech.com/Palatine211/mlinkrp/Search.aspx> parents can input their new address and look up which school's area the home is in. The search is available anytime, anywhere and is free to use. Search results include a map which shows where the school is located, as well as the nearest school bus stop. The link can also be found on District 211's [transportation website](#).
