

D211 POST:D211 FOUNDATION OFFERS MULTIPLE SCHOLARSHIPS

The Township High School District 211 Foundation currently has more than 40 scholarships available to graduating seniors. These scholarships total nearly \$64,000 available to assist graduates in their college endeavors.

“College is a large expense for families and we have many generous donors that are passionate about giving back to the community and honoring loved ones through scholarships,” said foundation member Kris Bratkiv.

Bratkiv said that while most scholarships have an application deadline of March 16, students are encouraged to review each opportunity. Though some scholarships are available district wide, many are school specific.
