

UPCOMING SCHAUMBURG HIGH SCHOOL PERCUSSION SHOW HAS MUSIC GENRES FOR ALL

Students from SHS perform during a percussion show at DePaul University.

Music students at Schaumburg High School are preparing for a concert that will showcase just how well they keep a beat in any genre.

The Schaumburg High School Music Department presents Maximum Impact, a Night of Percussion concert. The program will take place on April 30 in the Weimer Auditorium at SHS. The concert begins at 7:00 p.m. and is free to the public.

“The evening’s program will have something for everyone from pop music to standard percussion repertoire,” said Kevin Miller, SHS band director.

The Wind Symphony Percussion Quintet, Symphonic Percussion Quintet, Concert Percussion Quintet, and Cadet Percussion Choir will perform along with solos by senior Christian Moreno, and sophomores Griffin Lober and Tyler Teele.
